Every Drop of Water Makes a Difference

19 June 2014 • 11 a.m. - 12:30 p.m. • Conference Room 4 (NLB)

United Nations Headquarters in New York (47th Street Entrance)

Moderator: Joseph Hess, *JNF Vice President, Government Relations*

Panelists: Sharon B. Megdal, PhD., *Director, Water Resources Research Center, The University of Arizona*

Clive Lipchin, PhD., *Director, Center for Transboundary Water Management, Arava Institute for Environmental Studies*

Seth M. Siegel, J.D. *Co-founder of Beanstalk, Sixpoint Partners and Vringo, and writer on water issues.*

At this NGO-led briefing, our panel of experts will provide vital information on the critical issue of water management and sustainability. With a particular focus on water issues in arid countries, subjects expected to be included are transboundary water management in the Middle East, recycling techniques including new technological advancements, managing potable water in areas of increased population and agricultural use, new developments in increasing water supply, and leveraging local philanthropies for high impact.

Registration is required [here](#).

Photo ID will be required for entry. Please allow at least 25 minutes for security.

This briefing is organized in partnership with
The Jewish National Fund.
