

2015 Campaign in Support of SB1221 Expanded Learning Enhances Student Success California Department of Education Initiative

Take Action and help VFJ reduce the “nutrition gap” in the Greater Bay Area!

Millions of children in California qualify for a reduced price lunch or a free lunch meal, however about 4 of 5 children are missing out on meals. Voices for Justice will be donating collections received to a local school that provides services to low income communities. Help Voices for Justice to keep children learning and growing by supporting meal programs. Voices for Justice (VFJ) is a department of the International Association of Sufism, a non-profit, United Nations, NGO-DPI.

Donate your contribution of \$50; \$100; \$250; \$500; any amount \$ to IAS: Voices for Justice:

Checks payable to “Voices for Justice”

or pay via Credit Card - Number: _____ Expiration date: _____
