

Moving forward together: **Leaving no one behind**

**WORLD
AIDS DAY
2016**

**SPECIAL
EVENT**

“Our mission is to build a better world. To leave no one behind. To stand for the poorest and the most vulnerable in the name of global peace and social justice. We have a lot to learn from the AIDS response. One by one people stood up for science, human rights and the empowerment of all those living with HIV. And this is how we will end the epidemic: by moving forward together.”

UNITED NATIONS SECRETARY-GENERAL, BAN KI-MOON

Join UNAIDS for a special event to commemorate World AIDS Day and the commitment to move forward together to end the AIDS epidemic by 2030 as part of the Sustainable Development Goals.

The event will also honour the leadership of United Nations Secretary-General Ban Ki-moon and his legacy of leaving no one behind in the response to HIV.
